

Jemez Valley Public Schools

JVPS, in partnership with the Roadrunner Food Bank of New Mexico, is pleased to offer a food distribution program. The JVPS Mobile Food Pantry will serve our students and senior citizens by distributing food on a monthly basis.

To participate the individual must:

- have a student enrolled in JVPS *or* be a Senior Citizen and
- complete the MFP Registration Form (2018-19) prior to distribution day.

The only school aged children allowed inside the distribution site are the JVPS students assigned to assist during the event.

Participants picking up food for more than one JVPS family and/or Senior Citizen must complete one pick up then re-enter for additional pick-up.

Please bring a box, basket, etc. to carry food.
