

JVPS Student of the Month  
January 2017

**Louis Shije**  
**JVMS - 8<sup>th</sup> Grade**

Louis Shije is Jemez Valley Middle School's Student of the Month. Louis is in the 8<sup>th</sup> grade and has attended Jemez Valley since Pre-Kindergarten. Louis exemplifies the ideal student. He works hard, is determined, and strives for always making the grade! Louis is involved in the AVID (Advancement Via Individual Determination) elective class and was able to attend the GEAR UP Student Leadership Conference in Albuquerque as a student ambassador for Jemez Valley Public Schools this past October. According to Mrs. Dominguez-Chavez his History teacher "Louis is a self-motivated learner who takes his academics seriously and strives for excellence." Louis' favorite subjects are Math and PE. He enjoys staying physically active by farming, playing football, hunting, and bull riding. He has aspirations to attend Adams State University in Colorado. Louis is well liked by his classmates and he aims for straight A's on his report card. We are proud to have Louis Shije represent Jemez Valley Middle School.
