Malayne Romero

2nd Grade - Mrs. Hartman-Didier

Malayne Romero has been selected as Jemez Valley Public Schools' "Student of the Month." Malayne is a second grade student who always strives to do her best. She is always willing to help her teachers and her peers. Some of the things Malayne enjoys are music, singing, reading, playing house with her dolls and hanging around with her older brother who can always make her laugh! All that know Malayne will agree that she has one of the most contagious laughs ever! Thanks for being a wonderful girl and model student!
